The transfer of copyright gives reader academic research publisher the right to develop, promote, distribute, sell, and archive a body of scientific works throughout the world. The Author hereby grants and assigns to reader academic research publisher all rights in and to Author's work in and contributions to the Work. In connection with this assignment, the Author acknowledges that reader academic research publisher will have the right to print, publish, create derivative works, and sell the Work throughout the world, all rights in and to all revisions or versions or subsequent editions of the Work in all languages and media throughout the world.

The author(s), reserve the following rights:

- All proprietary rights other than copyrights, such as patent rights,
- The right to use all or part of this article, including tables and figures in future works of their own, provided that the proper acknowledgment is made to the Publisher as copyright holder, and
- The right to make copies of this article for his/her own use, but not for sale.

I promise and represent that I have substantively participated in the creation of the work. It represents my original work and is enough to make me claim to be the author. I also promise and express that, apart from the information previously disclosed to the association, I have no financial interest in the subject matter of my work, nor any connection with an organization or entity that has financial interest in the subject matter of my work. I have obtained the consent of each author to transfer and transfer any and all rights, ownership and interests, including the copyright of the above article. This agreement is to be signed by at least one of the authors who have obtained the assent of the co-author(s) where applicable.
